Dear Parent

**HPV Immunisation Programme**

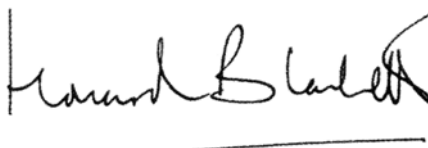

I am writing to advise you that, following today's news of a fatality in the UK HPV Immunisation Programme, The Royal Hospital School has suspended its programme of immunisation with immediate effect.

We will resume the programme once we have received advice to do so from our local Primary Care Trust. When the programme is resumed, we will assume that all girls participating in the programme will continue to do so unless we hear to the contrary.

If you have any queries or concerns regarding this matter, please contact the Health Centre at [healthcentre@royalhospitalschool.org](mailto:healthcentre@royalhospitalschool.org).

With best wishes,

Yours faithfully

A handwritten signature in black ink, appearing to read 'Howard Blackett', written over a horizontal line.
